STATIONERY AND STUDENT RESOURCE SCHEME (SRS)

Most books and materials are supplied to students as part of the school's Student Resource Scheme. The school operates the scheme and parents/carers pay $200 per student per year as a course contribution to the cost of purchase of these books and materials. The scheme is voluntary, those parents/carers who do not wish to participate will need to purchase their own texts and materials and should contact the school for full details. **Only those students in the Student Resource Scheme receive books and materials from the school.**

Students who are part of the scheme receive:

• Bundaberg North High Homework Planner	$ 15.00
• Subsidy for photocopying (worksheets, class workbooks, teacher prepared materials)	$ 25.00
• Printing allocation	$ 10.00
• Subject resources (see resources listed for each subject)	$ 55.00
• Curriculum textbooks (hardcopy or electronic form textbooks and novels)	$ 85.00
• Clickview subscription – Film/Documentaries	$ 10.00

All books and equipment supplied to students remain the property of the school.

Students **must** supply their own stationery and are responsible for replacing any lost or damaged textbooks or school materials supplied under the scheme.

To interpret the following list, please note:

1. All core subjects are studied the whole year.
2. The 'Essential Stationery' list below and the other materials listed as 'Provided by Family' are to be purchased by **all families**.
3. If you are intending to join the Student Resource Scheme, the texts/materials which are listed as 'Provided by Student Resource Scheme' are for your information only. **If you do not intend on joining the Student Resource Scheme, you will need to supply those items.**
4. Multi subject / lecture books are not appropriate for subjects that detail an exercise book is required. Please ensure that there is a separate book for each subject.

All students are encouraged to have their own Laptop which has been onboarded to the school network to allow access to school internet, network and printing devices. Students are encouraged to attend 'onboarding' sessions in the library within the first two weeks to effectively install this small piece of software. Appointments during the year can be booked with our IT technician as needed after this time (eg if a new device is bought during the year).

Students with laptops are **required to have minimum stationery** with them each day as well as **writing notebooks**. Whilst some subjects will not utilise the laptop each lesson, students should bring their laptop each day to school as access to textbooks, activities and other resources including Q Learn will be occurring regularly. It will be teacher's discretion on the equipment used each lesson, they can direct students to close their laptop and or monitor students' laptops to ensure engagement in the class.
