

UNIFORM

The High School Community in consultation with the school Principal and endorsed by the Parents and Citizens Association have determined that the school has a dress code that students are required to adhere to.

The Education (General Provisions) Act 2006, Section 360 Development of dress code indicates that:

A State school's principal may develop a dress code for the school's students that is to apply when the students are attending, or representing, the school.

The dress code may provide for the following:

- standards of what is acceptable in relation to the clothing worn by the students, including headwear and footwear;
- standards of what is acceptable in relation to other aspects of the personal presentation of the students.

The Act makes provision for the principal's powers in relation to students who do not comply with the dress code. They include:

If a student of a State School does not comply with a dress code for the school's students, developed under section 360, the school's principal may only impose one of the following sanctions:

- detention of the student for a period mentioned in section 283 (3);
- prevent the student from attending, or participating in, any activity for which the student would have been representing the school;
- prevent the student from attending, or participating in, any school activity that, in the reasonable opinion of the school's principal, is not part of the essential educational program of the school

JEWELLERY

For safety, health and practical reasons, the following guidelines are to be adhered to: Jewellery must be kept to a minimum with no sharp or raised edges.

- Small studs or small sleepers in ears
- One wrist watch
- One small bracelet
- One small ring
- No visible necklaces or anklets

Any readily visible items of facial jewellery must be securely covered or be clear plastic. Unacceptable jewellery will be confiscated and may be collected by parents/guardians from the school office.

MAKE-UP AND HAIR

Whilst wearing make-up, finger nail polish or hair colouring is not specifically banned, the wearing of such should not detract from the school uniform or how students are perceived within the wider school community. 'Neutral' hair colouring, 'natural' nail polish and 'natural' make-up ONLY is permitted. Students with inappropriate hair colour or hair style e.g. Mohawks, will face school sanctions as set out in the Education (General provision) Act, 2006. Students with excess make-up will be required to remove it. Given the danger of long term exposure to the sun there is no concern with students wearing a natural skin colour foundation, especially if it is SPF rated.

KEY POINTS TO REMEMBER

- If students do not have the correct uniform on they should bring a note to the office explaining the reasons.
- No brand names/patterns etc should be visible.
- No contrasting coloured tops/t-shirts should be worn under the school uniform.
- Jeans/Cargo pants are not acceptable.
- Only flesh coloured or black stockings are to be worn with the school skirt only.
- Underwear should not be visible.

The wearing of uniform for all students is mandated. Should there be a financial reason parents are unable to provide a student with a uniform, they should contact the Principal so alternative arrangements can be made.
