Dear Parents/Caregivers

I am writing to inform you that I decided to restrict access to room C10 – Hub storeroom –in C block due to damage caused to the ceiling.

The school's Built Environment Materials Information Register (BEMIR) indicates that

- the ceiling sheeting is confirmed as containing asbestos.

The area has been made safe however the room will remain restricted until test results and full repairs have been completed and a clearance is provided for its reuse.

These precautions will ensure that all students and staff are kept safely away from the area. As you would be aware I take the issue of student and staff safety very seriously.

I believe that the partnership we share as a school community means that it is important to keep everyone informed in order to minimise concern.

Please do not hesitate to contact me on 4130 0222 if you have further queries on this matter.

Yours sincerely

Ross Robertson
