

Junior school canteen information for final two weeks of 2018.

The canteen will operate as per usual during the final 2 weeks of term but with a smaller, special menu. It is always a great idea to order your lunch with the limited menu **as hot food will only be available at first break.**

Forms will be sent home for you to order and return with money **before Nov 30th** to the canteen.

Drinks and ice creams will be available each day.

Qkr online ordering will still be available but will only have the special menu options the same as on this form.
