

TRANSITION TO WORK

Are you ready to move into employment?

The Transition to Work (TTW) program is for young people aged 15–21 who are on their journey to employment.

Our staff will work with you to focus on practical involvement and work experience to build your skills, confidence and readiness for work opportunities, education, apprenticeships or traineeships.

We'll get you ready

Transition to Work looks closely at ways to help young people to understand what is expected of them in the workplace and to develop the skills, attitudes and behaviours that will be expected of them by employers.

We will help you:

- develop practical skills to get a job
- connect with education or training
- find and participate in work experience opportunities
- identify employment opportunities in the local area
- connect with relevant local community services

If you'd like to learn more about how Transition to Work can help you, contact our TTW team today on 4153 4233 or mail@impact.org.au
