 Bundaberg North State High School

6 December 2023

Dear Parent/Guardian

RE: STUDENT MEDICAL CONDITIONS

Bundaberg North State High School reviews the medical condition of all students at the beginning of each year. It is the parent or guardian's responsibility to pass on this important information to enable us to provide appropriate first aid and treatment for students.

We will require a current written action plan (which can be obtained from your general practitioner or specialist) for all students who have the following conditions: **Anaphylaxis, Diabetes, Epilepsy**, moderate to severe **Asthma** or any other condition your student may require emergency or ongoing treatment for.

Please provide the **current written Action Plan** to the school prior to the school year commencing **on 22nd January 2024**. You can drop this into the office at North High or scan and email to principal@bundabernorthshs.eq.edu.au

Thank you for your attention to this important matter.

Yours sincerely

Robyn Kent
